The Breadnbeyond animated marketing report offers key insights into the growing impact of animated videos in digital marketing. Here are five key statistics from their findings:

1. **93% of marketers** say video content is a crucial part of their overall strategy.
2. **85% of businesses** use video as a marketing tool, which has grown steadily from 61% in 2016.
3. **95% of viewers** retain a message better after watching a video, compared to just 10% who read the same message in text form.
4. **88% of marketers** are satisfied with the ROI from their video marketing efforts.
5. **73% of consumers** are more likely to make a purchase after watching a product demo or explainer video.

These statistics highlight the effectiveness of using animated video content to boost engagement, conversion rates, and customer satisfaction?
